Manufactured in Spokane, WA and Helena, MT

999-0103

Lifetime — A sophisticated blend of acrylic latex fortified with Ceramic Microspheres.

Goes on thicker for unmatched coverage.

Contains a sophisticated blend of acrylic latex that goes on thicker than ordinary paint, and provides unmatched surface coverage in just one coat.

The protection of ceramic.

Fortified with Ceramic Microspheres to form a hard ceramic coat and provide ultimate durability and protection.

Guaranteed for life.

Guaranteed to provide a protective and decorative finish for as long as you own your home or property.

Self-priming — Saves time and money.

Self-priming over many surfaces — no need to use a separate primer.

Stain blocking.

Reduces tannin bleed from cedar, redwood and other staining woods.

Mildew resistant.

Contains an agent that inhibits the growth of mildew on the surface of the paint film.

LIFETIME is ideal for use on exterior wood, masonry, tilt-up concrete, stucco, unglazed brick, primed metal, vinyl siding, properly prepared factory finished metal siding, and more!
